\$150,000 IN STOCKS TAKEN AT BROKER'S HOME: MISS BONDS

Thief Ransacks Apartment at 35th and Powelton; \$300,000 in Securities Undisturbed

GEMS, CASH AND CLOTHES STOLEN; FAMILY ABSENT

About \$150,000 in registered stocks were stolen from the apartment of William E. Richards, a retired banker, at Thirty fifth street and Powelton avenue, by a thief who overlooked \$300,000

The robbery is believed to have occurred shortly before 6 o'clock last evening, about twenty minutes before Mrs.

Two suits of clothes valued at \$200 and a small bank containing \$18 in dimes_also were taken. The thief en-tered from the rear after ascending an enclosed stairway and forcing a door.

The stolen stocks were in a bex on a shelf in Mrs. Richards' bedroom. They included \$100,000 in stocks of the Bead Lake Gold-Copper Mining Co. of Spo-kane, Wash., and \$40,000 in stocks of the Bombay Reed Willow Maufacturing

The \$300,000 of negotiable notes and bonds were in plain envelopes in the drawer of a writing table. They were received recently from Mr. Richards

TRADE EXPANSION NEEDED

Senator Decides Not to Visit Mexico, Owing to Other Arrangements

By the Associated Press New Orleans, Nov. 18 .- President. elect Harding arrived here today to eme bark on his trip to the Panama canal zone and was received by New Or-

to make two addresses. In the first a large crowd gathered at the City Hall. Senator Harding expressed his her accused husband, who was brought of Nations are watching with interest gratitude for the reception accorded him his fondest ambitions was to see a naforgotten. He also touched briefly on the tariff question, asserting that the South as well as the North would be interested in the working out of a tar-iff policy that would prevent foreign that there must be a new association

> whatever international organization through the crowded downtown streets, this country proposes to enter. What the assembly at Geneva does fore the New Orleans Chamber of Commerce. In this speech he appealed for plain living and square dealing as the cially interests the Republicans, as strongest reliance of the nation in the their plan is to stress the court in any period of after-war readjustment. He international organization this country said in part:
> "I believe the American people have

> should enter. The council of the league come to realize that we must face moalready acted some time ago upon the mentous problems, and must face them world court proposal, and its action with resolute courage and practical was not favorable to the so-called Root wisdom and patriotic determination. plan, which is likely to be the basis of the policy to be agreed upon at Re-publican conferences to be held at There must be no reason for pause not excuse for despair, nor place for pesstmism. If we are effective in solving our problems at home, we shall be better able to help solve those of the world as befits our part in modern civilization. Under the Root plan the world court

"The world has never witnessed such to a court which should have jurisdic-tion in cases where the nations involved an upheaval as that which came with Russell Carrow, counsel for Schuck, eld a long talk with him today, but dispute would agree to the court, all other never so sorely tried. Inevitably there In the city is eliminated."

The conferences with Mr. Sproul were held last night and this morning at Harrisburg, where the Mayor was a guest at the executive mansion.

Plan Charter Changes

A sheaf of proposed legislation for this city was discussed, including suggested amendments to the new charter.

County Prosecutor Wolverton said to day the product of the new charter.

Nussell Unrow, counsel for Schuck, beld a long talk with him today, but refused to divide his plans for Schuck's defense.

Harris, James' counsel, said today that a well-known alientist will be procured to examine James, to determine whether he is sane.

County Prosecutor Wolverton said the court, all other disputes being subject, to the court, all other disputes being subject, to the court, all other disputes being subject, to the court. The difference is this:

Under the Root plan any nation having a grievance could hale the nustion offending before the court, precisely as the private citizen who is wronged can bring the offender before classly as the private citizen who is wronged can bring the offender before the court, all other disputes being subject, to the court. The difference is this:

Under the Root plan any nation having a grievance could hale the nust come stability and dependence of the court, all other disputes being subject, to the court. The difference is this:

Under the Root plan any nation having a grievance could hale the nust come stability. We must put aside the debria of war and continue to build on solid wronged can bring the offender before the court, all other disputes being subject, to the court. The difference is this:

Under the Root plan any nation having a grievance could hale the nust be readjustment. And the old disputes being subject to the court. The difference is this:

Under the Root plan any nation having a grievance could hale the nust be readjustment. And the old disputes being subject to the court. The difference is this:

Under the Root plan any nation having a grievance could hale the court.
